

## See No Evil (Urban Underground #22)

Written for young adults, the Urban Underground series confronts issues that are of great importance to teens, such as friendship, loyalty, drugs, gangs, abuse, urban blight, bullies, and self-esteem to name a few. More than entertainment, these books can be a powerful learning and coping tool when a struggling reader connects with credible characters and a compelling storyline. The highly readable style and mature topics will appeal to young adult readers of both sexes and encourage them to finish each novel. Harriet Tubman HS Series-- Loud talk preceded shouting, and then shots rang out. One boy was lying on the sidewalk. Police were not saying so, but he appeared to be dead. At school on Monday, everybody at Tubman was talking about the Grant Street shooting. As far as anybody could tell, the victim was an innocent bystander.
