

A Little Country Girl (Classic Reprint)

June brings to the Narragansett country, that the steamer Eolus pushed out from Wickford Pier on her afternoon trip to Newport. The sky was of a beautiful translucent blue ;the sunshine had a silvery rather than a golden radiance. A sea-wind blew up the Western Passage, so cool as to make the passengers on the upper deck glad to draw their wraps about them.(Typographical errors above are due to OCR software and dont occur in the book.)About the Publisher Forgotten Books is a publisher of historical writings, such as: Philosophy, Classics, Science, Religion, History, Folklore and Mythology.Forgotten Books Classic Reprint Series utilizes the latest technology to regenerate facsimiles of historically important writings.
