

Adams Starling tells the story of a nine year old boy who is finding life difficult. At home, no-one has any time for him. At school things are even worse; a gang of bullies has singled Adam out for punishment. Life is becoming increasingly difficult for Adam. But then a scruffy little starling comes into Adams life. This is Adams secret, his own special friend. But can Adams defend his small friend against the bullies? Will he find the courage he has needed all along?
