

Autumn (Dog Days) (Volume 1)

Cooper Reynolds's life is going to the dogs literally. As if being a high school senior in a small Texas town wasn't hard enough, Cooper has bigger things to worry about than who he'll take to prom and whether or not the Poisonfoot Padres will win homecoming. He has less than a year before his eighteenth birthday, when a curse placed on his family will doom him to live in coyote form forever. The last thing he needs to complicate his already messed-up life is a girl, but fate has other plans in mind for him when it brings Eloise Lou Whittaker to Poisonfoot. She's grouchy, sarcastic and has no love for her new Texas home, but she might be exactly the right person to help Cooper break the curse. The clock is ticking, and Cooper will have to decide if he's willing to let Lou in on his dirty little secret before it's too late.
