

Bugs Eye View: Baby Ant Has Stinky Pants

Something smells funny-but no one wants to change babys diaper! Check out life from a bugs-eye view! Join in the adventures of Arnie and Annie Ant and their family. With a humorous look at everyday life situations, this ant family is fun for everyone-and children will learn the importance of Christian values such as being helpful, loving ones family, setting an example, having courage and taking responsibility. With the vivid illustrations and simple, lively text, these books will be a hit with younger readers.
