

Somethings Brewing in Deep Cove (Vellian Mysteries) (Volume 3)

Its time to celebrate the summer solstice with the Festival of Faeries. Klines Brewery will be hosting their first ever Beer Guzzler, and Roope Finnius, the Klines new Brew Master, has created five innovative flavours that are sure to wow the denizens of Deep Cove. Things dont go according to plan though as fairgoers become deathly ill, blaming their ailment on Vics new Cotton Candy Draught. To top things off, Cassadias premiere violin prodigy will be headlining the festival this year, despite the very real threat that his priceless Cordivini violin, has fallen under the watchful eye of a professional burglar.
