

Restoration (The World House Book 2)

None who enter the World House leave it unchanged. They sought the box for many years, because held inside that arcane magical artefact was, miraculously, a house. But now its real purpose has become clear it was a prison, and the infinitely evil being it was built to imprison has been let loose. Now the real quest begins in earnest. This direct sequel to the critically acclaimed *The World House* is an extraordinary modern fantasy, like an episode of *Doctor Who* imagined by the twisted mind of Clive Barker.
