

These Intricacies (Poima Poetry)

These Intricacies is a book of poems traversing the intersection of family, fatherhood, and faith. Set in shifting, vibrant spaces of a rich Kentucky landscape, and wrought with metaphysical crisis, this collection charts the slow, seismic shifts of growth bound up in understanding the nature of home. Dangling between struggle and tranquility, the poems in These Intricacies evoke a contemplative exploration of masculinity and vocation as the poet and reader journey together to discover and dissolve the discontinuities of how we are loved and how we can love others.
