

## Dealing with Mom: How to Understand Your Changing Relationship (Sunscreen)

Dealing with Mom discusses the various ways in which the mother-child relationship evolves over the years and how to better understand and cope with this transitional period. From the child's growing need of independence to how to accept a mother who is starting a new life of her own, this book uses personal testimonies, as well as structured situations and explanations, to help examine the variety of emotions that affect the closeness of a mother and child.
