

Quest: A Dane Maddock Adventure

149 B.C.- Escaping just ahead of the invading Roman legions, a Carthaginian soldier carries an ancient secret to places unknown. 1925- Percy Fawcett launches his final expedition into the Amazon, but what is his true objective? Dane Maddock is back. Deep in the Amazon, a university group encounters a horror beyond their darkest nightmares and vanishes without a trace. Called upon to undertake a daring rescue mission, Dane and Bones must trace the true path of Percy Fawcett's final expedition, but the secret that lies at the end of the search might be even deadlier than the enemies who seek it. From the streets of London, to remote islands in the Atlantic, to the deadly jungles of the Amazon, Dane and Bones must penetrate a secret lost to history, on their deadliest Quest. Dane and Bones are back! Packed solid with action and witty dialogue, this rousing adventure takes a fresh look at one of the most enduring mysteries of the 20th century, David Wood delivers again with QUEST.--Sean Ellis, author of INTO THE BLACK and DARK TRINITY: ASCENDANT The escapades of Woods serial character Dane Maddock continue in high style with QUEST, an all-out blitzkrieg of a globe-trotting mystery-adventure that breaks from the action just long enough for a couple of laughs.--Rick Chesler, author of kiDNapped and Wired Kingdom Let there be no confusion: David Wood is the next Clive Cussler. From the accessible writing to the wide-ranging plot to the main characters who don't give up no matter how long the odds, Woods latest book, Quest, is a tremendous classic adventure. Once you start reading, you won't be able to stop until the last mystery plays out in the final line. Edward G. Talbot, author of 2010: The Fifth World
