

Dying at Honeymoon Inn (The Jennifer Marsh Mysteries Book 8)

Jennifer and Sam are going on their honeymoon! Sounds wonderful, except that Jennifer has no idea where Sam is taking her. Its the middle of winter, so it has to be someplace warm with plenty of sand and sun, right? Imagine her surprise when she finds herself in the middle of a snowstorm in Pennsylvania in whats advertised as a haunted mansion for a murder mystery weekend. Shes intrigued, especially by the amazing special effects created by the inns owner, Rex Ferris. But things seldom go smoothly for Jennifer, and when a fellow diner face plants into her coconut cream pie and dies from a seizure, Jennifer suspects murder. After all, the victim is on a girls weekend with her frenemies from college. Who could possibly want her dead, except every one of them? And who else might be on Jennifers suspect list? The only thing certain is the killer is still nearby, trapped by three-feet of snow and dangerous travel conditions. Fans will be happy to see Mrs. Walker crash Jennifers honeymoon to take over the murder investigation, so Jen and Sam can get back to their romantic activities. Fun and romance vie with an intriguing mystery that will keep the reader guessing to the very end. Dying at Honeymoon Inn is the eighth in the delightful Jennifer Marsh Mystery Series. If youre a fan of Susan Isaacs or Olivia Goldsmith, youll love Judy Fitzwater. --Janet Evanovich Jennifer Marsh is a delight--resourceful, funny, and impulsive. --Laura Lippman
