

Sorcerers & Sumac (Hawthorn Witches Book 2)

Annie Hawthorn's life has been dreadfully normal since she moved into her new college apartment. Well...there is the matter of her best friend, Gates, who still has a cat. Charlie, the demon who cursed her, hasn't been seen since before graduation. Annie isn't sure if that's a gift or a curse in itself, because Charlie is the only one who can help her. But Charlie is about to return. He needs a favor. And this time, he's bringing an old enemy with him.
