

## Her Masters Corruption (Book 2): A Dark Fairy Tale

In His torture, she found peace. Lhea was once an innocent, curious faerie. But she wandered too far into the forbidden forests, stumbling upon a wicked elf who tainted her with His corruption. But even in darkness, there can be love, and so when the two are wrenched away by the forces of good, Lhea has to return to her Master. Her soul cries for Him, and His for her, and nothing will keep them apart. Even if He has to take on the form of a werewolf to rescue her. This dark fairy tale contains a twisted romance, domination, submission, and aspects of horror. A novella of over 21k words.
