

The Mother of All Fonkos (Jake Fonko) (Volume 6)

When former Army Ranger turned freelance gun-for-hire Jake Fonko receives a cushy consulting offer in Kuwait City, he hops a plane and heads out for what he expects will be a relaxing four week stay. But soon after Jake lands, Saddam Husseins army blitzkriegs the city, trapping everyone inside. Jakes new job is simple: survive the chaos and escape Kuwait. But playing all the roles required to make it out of the desert alive will tax Jakes training and ironic wit to the breaking point - and Iraqi prisons are hardly hospitable to former American soldiers... For fans of fun, fast-moving adventures, the Jake Fonko series seamlessly blends well-researched 20th century history with equal parts white-knuckle thrills, satirical humor and explosive action. If you like Ian Fleming (Bond), John D. MacDonald (Travis McGee), George MacDonald Fraser (Flashman) or Clive Cussler (Dirk Pitt), youll enjoy the Jake Fonko series. NOTE: This is a standalone novel that can be fully enjoyed without reading any other books in the Jake Fonko series.
