

The Archangel Agenda (The Evangeline Heart Adventures) (Volume 1)

The first in a new urban fantasy by New York Times bestselling authors A.K. Alexander and Jen Greyson. What happens when you're a professional assassin and your fiancé is murdered in retaliation for your latest kill? Just ask Evangeline Heart, who is visited by the Archangel Metatron soon after burying her soul mate, Griffin, and told she must rescue Griffin's soul from the dungeons of Hell. In the first segment of The Evangeline Heart series, Evangeline (Lina) will join forces with a professional thief, a bumbling scholar, and an archangel who together will battle the forces of evil in hopes of saving the future for mankind.
