

The Job Offer

Situation vacant: Operative Required, post includes full training, international travel and slight to moderate chance of death. No allergies to animals preferred. Jennifer Graham has a dead-end job, a grotty apartment and a boyfriend who was last seen skipping town with every cent she owned. An ordinary life, until the night a tall dark stranger breaks into her home, and offers her a job. A secret organisation wants Jennifer, why they will not say, but introduced to a world of myths and monsters, for Jennifer the race is on. Can she learn enough about this new world - and herself - to survive it.
