

The Wandering Knight (Swordsmans Gift) (Volume 1)

A young girl fleeing a war-torn kingdom. A knight errant seeking glory and fortune. Jorgen is a knight-for-hire from neighboring Svelock, searching for adventure in war-torn Dogamshire. When he comes across Annalise, a young girl hiding from lascivious bandits, he dispatches the men with deadly precision. With promises of future payment, Jorgen agrees to protect and escort Annalise back to her wealthy aunt in Svelock. Their journey through a crumbling nation in the midst of rebellion. But Annalise has a secret, one that may change the fate of both their lives and Dogamshire forever.
