

## Alliance of the Deep (Crown of the Seas series) (Volume 1)

In an empire where peace has reigned for decades, rebellion and evil are brewing. At the center of the conflict, three extraordinary women are about to begin journeys that will forge their destinies as warriors vital to protecting the realm. Saleria, a princess with untried powers, is forced to a mysterious underwater city where she learns of a secret race of sea-dwellers that may prove instrumental in helping to save the empire if she can gain their trust, and survive the awakening of her gifts. Her mother, the queen, must face her crippling phobia and seek healing from a group of women warriors whose religion she despises. Will she accept her destiny to join them in defeating not only the rebels, but also the dark sorcery that threatens from an evil warlord? Her sister-in-law, a gentle spirit, escapes invading rebels only to be shipwrecked on the shores of a wild and brutally cold land. Will she find the courage and strength to survive this deadly environment as well as the desire of the lands ruler? Between rebellion and evil sorcery, it appears the empire is doomed, until the Crown of the Seas becomes a hope of deliverance. Unfortunately, not only has it been lost for thousands of years, it holds dangerous power that may be more destructive than the groups battling for the throne.
