

Lip Reading

Not tested on animals, only family, Lip Reading is a collection of hilarious observations, memoirs and jottings from one of Britain's most entertaining women. Maureen Lipman, the woman who has had both a rose and a sewage system named after her, has a gift for making anything seem funny. Whether it is hot flushes, trying to make sense of the cricket commentary, or giving the perfect dinner party, her individual slant on the subject is either refreshing, outrageous or downright priceless, or aloof the above.
