

Lying Season (Experiment in Terror)

Amateur ghost hunter Perry Palomino has battled ghosts, fought off skinwalkers and skirted the fine line between life and death. But can she survive bunking down in Seattle for a week with her partner (and the man she secretly loves) Dex and his perfect girlfriend, Jennifer? And can she do so while being tormented by a malicious spirit from Dex's increasingly shady past? With love and life in the balance, Perry must discover the truth among the lies or risk losing everything she's ever cared about.
