

Newspaper days, 1899-1906

With a style that combined biting sarcasm with the language of the free lunch counter, Henry Louis Mencken shook politics and politicians for nearly half a century. Now, fifty years after Menckens death, the Johns Hopkins University Press announces The Buncombe Collection, newly packaged editions of nine Mencken classics: Happy Days, Heathen Days, Newspaper Days, Prejudices, Treatise on the Gods, On Politics, Thirty-Five Years of Newspaper Work, Minority Report, and A Second Mencken Chrestomathy. In the second volume of his autobiography, Mencken recalls his years as a young reporter.
