Jason Cosmo is eager to make a good impression as the new Champion of The Gods, so he vows to end slavery in Caratha, greatest city of the Eleven Kingdoms. Its the heroic thing to do, after all. But powerful forces are ready to drag our young heros name - followed by his lifeless body - through the mud to stop him. Abandoned by his allies, Jason must overcome homicidal monkeys, hostile priests, and a band of revenge-minded brothers who blame him for a crime he didnt commit. Only his true love Sapphrina (and her lovely twin Rubis) will stand by Jason in his quest. Meanwhile, a giant bear roams the city, eating anyone it can. A natural disaster looms. And an ancient evil seeks to rise again. Then Jasons real problems begin...
