

Women Make the Best Friends: A Celebration

Where would we be without our friends? In her heart of hearts every woman knows, as Lois Wyse sagely explains, that men may come and go but a true friend is forever. Bestselling author Lois Wyse turns to a subject that is central to every woman's life, friendship, in a poignant collection of stories, anecdotes, and poems certain to warm the hearts of women of all ages -- and of all of their best friends. At nine, nineteen, or ninety, the one constant that marks each stage in a woman's life is the importance of the friendships she has made. In the best of times and in the worst of times, it is our friends who sustain us, cheer us, and see us through whatever surprises life throws our way. *Women Make the Best Friends* is a loving celebration of women's friendships. It is a book that not only pays tribute to the power of friendship but also gives thanks to those people we hold most dear -- our friends.
