

Out of Oz: The Final Volume in the Wicked Years

Maguire's work is melodic, symphonic, and beautiful; it is dejected and biting and brave. How great that people flock to these magical novels. Los Angeles Times Book Review Bestselling author Gregory Maguire's remarkable series, *The Wicked Years*, comes full circle with this, his fourth and final excursion across a darker, richer, more complex landscape of the magical land of Oz. *Out of Oz* brilliantly reimagines L. Frank Baum's world over the rainbow as wracked with social unrest, replacing Glinda the good witch under house arrest and having the cowardly Lion on the lam from the law as the Emerald City prepares to make war on Munchkinland. Even Dorothy makes a triumphant return in Maguire's magnificent Oz finale, tying up every loose green end of the series he began with his classic *Wicked*, the basis for the smash hit Broadway musical.
