

Rocked by a Vampire: Billionaire, Rock Stars, Vampires (Immortal Hearts of San Francisco Book 3)

Hes dangerously sexy, impossibly arrogant, rude, and complicated as hell, yet what he reveals to her makes it impossible to stay angry and she cant stop her growing desire for him. Lane, the younger twin of two powerful and sexy vampires, has always walked in his brothers shadow. And for good reason. There are monsters that plague his mind. Demons that once destroyed him. Broke him. Now, his desire for Vanessa torments him, igniting those revenants whenever he thinks of her. Hes desired her for months, but he hates what she is what she stands for. Can the witch he loathes be the one to tame his demons, or will she only send him farther into hell? He wants to claim her, own her until he discovers something about her he has no choice but to admire, and when she lets down her guard, all he wants to do is comfort her love her. Vanessa has her own fears to conquer. A witch by birthright, shes powerful yet vulnerable. How the hell will she be able to help Lane defeat his demons if she cant overcome her own? They rock each others worlds, but when evil comes knocking at their door, someone will need to die or theyll lose each other forever.
