

The Way Between the Worlds (The View from the Mirror Book 4)

Book 4 in the internationally best selling Three Worlds epic fantasy sequence. THERE IS A DARK FULL MOON on midwinters day. The foretelling has come to pass. Rulke the Charon is unstoppable now. Karan is held captive in desolate Carcharon tower. Rulke plans to use her to find the Way between the Worlds. On the mountainside below, the allies await their fate. Karan's lover, Llian, is in chains, falsely accused of betraying her to the enemy. As the dark moon rises, Rulke begins to open the Way. If he succeeds, the world will be overwhelmed by the dread armies of the void. There is only one solution. Karan must be the sacrifice .

REVIEWS Irvine has brought both a lively intelligence and a keen moral sense to the heroics and spell-play of the modern fantasy novel. Roz Kaveney. Hugely ambitious an epic, tragic tale of history's implacable impact on the present, full of driven, often unlikeable and inept characters, and betrayal. Interest and originality there is aplenty - and action. Starburst, UK (4 stars).
