

Returned (Romani Realms Book 3)

Returning to the Romani Realms was the last thing they wanted... Samantha defied death and returned home from the Romani Realms, but a piece of her heart remained. In that forsaken and dangerous purgatory she met and fell in love with Daniel, a permanent resident of the Romani Realms. She loves him with all her soul, but is love enough reason to risk her life? Charlotte wants nothing more than to live a quiet, domestic life with Phineas, the demon gypsy who holds her heart. But their future depends on finding their way back to Shadow, the infant who will one day be born from their union, but for now resides as a young child in the Romani Realms. As a genie, Suki has watched over Samantha and Charlotte, while James, her Shade and supernatural protector, has patiently supported her. His duty to her and their entire relationship is threatened when one Releasor is foreshadowed to harbor corrupt wishes. Only in the Romani Realms can Suki determine if the threat is real. To stay or return? Each one has their reasons.
