

## The Secret of Orenda

Orenda: Feel the Magic Deep in the forest there lives the worlds greatest and most beautiful secret. Known only to a few initiates, the people of Orenda continue the ancient ways of magic from mankinds lost past. But even the wildest places are under threat, and this ancient tribe, who know nothing of the modern world, are discovered and become a sensation. Must their magic die, absorbed in the hectic modern world? Lawyer Mary Russell says no. Chief Charles Hay says no. Worldwalker Jim Hyam says no. But the world says yes. And the world comes, in planes, in SUVs, in off-road vehicles, with cameras, forms to fill out, laws to follow and guns to make sure. Who will win? Feel the magic.
