

Splintered Souls (Flames of Time) (Volume 1)

When Ava Flynn walks away from a scholarship to Georgetown and moves into her grandmothers abandoned summer home in coastal Maine, she steps into the center of a centuries-old curse. On her first night, she notices a mysterious leather-clad stranger looking up at her third-story window. For weeks, everywhere she goes, Ava catches more glimpses of him, but she can never get close enough to find out who he is. Over three hundred years ago, Lady Catherine Fairchild risked everything to protect her unborn child, sending a ripple through time that would change Avas future. As the mystery unravels, the horrifying consequences of Lady Catherines choices drag Ava deeper into a world she never knew existed, trapping her in a conflict thats been raging since before she was born. A winner-take-all battle for her soul.
