

The Spook House (The Spook Series Book 1)

After seeing God and then the Devil, Jacob Abrams makes a decision: No more drugs. Fresh out of high school, Abrams decides to join the Army, thinking it would be a good new beginning. Hes wrong. After some serious screw-ups, Abrams gets transferred to a base in the middle of nowhere where he is trained to do dangerous house-to-house searches. As a final exam, he and his team are ordered to sweep and clear what appears to be a stereotypical haunted house. Trapped inside, he realizes to his horror why he and these men were chosen for this mission. The Army expects no one to get out of this house alive.
