

Playing with genre and form, this poetry collection evokes a fantastical dream world as myth intersects with reality in verse. Themes of role reversal, shape-shifting, and gender-bending occur throughout, giving a feminist edge to this collection of poems replete with dark humor—as well as an unexpected ending. Whether running with the wolves, or sleeping with them, the poet uses sly words to turn everyday conventions inside out.

Ok! 2 (Ok!), Looking at the Stars: When Theres Nothing Left to Lose, Stories are All We Have..., Gimme-Jimmy, Measuring Stress in Humans: A Practical Guide for the Field (Cambridge Studies in Biological and Evolutionary Anthropology), The Weredog Whisperer (Cleo Tidwell Paranormal Mysteries Book 2), Dazzling Danny, Keeping Healthy (Teen FAQ), The Hollowing (The Mythago Cycle), Coloring Book Animals, Name That Style: All About Isms in Art (Bob Raczkas Art Adventures),
