

In this, the third installment of the Bogus Anomalous Group, Pam Bogus is hoping to enjoy the last of her summer vacation. After wrestling a werewolf, being chased by a man eating worm, battling a demon and overpowering an Arctic Spirit, Pam is ready to relax and enjoy the last week away from school. A trip to the Piney Woods to help her aunt look for a group of missing Sasquatchers, sounds like just the thing. Pam accidentally finds the gateway to another world, and must enlist the Sasquatch to help her find her way home. Giant fur covered creatures and tiny sweater wearing things, all compiled into one long week of misadventure.
