

La Mariquita Malhumorada (Spanish Edition)

Por veinte años, La mariquita malhumorada ha deleitado a los pequeños lectores y oyentes. Sus dibujos audaces y su texto humorístico nos relatan la historia de una diminuta mariquita, como no hay otra. La mariquita malhumorada no acostumbraba a decir por favor ni gracias; no le gustaba compartir nada; pensaba que era más grande y más importante que los demás; y siempre estaba lista a provocar una pelea. De acción continua y con atractivas páginas troqueladas, esta historia invita a los niños a explorar los conceptos de tiempo, tamaños, formas y buenos modales. Aprenderán, a la vez que se divertirán, con el cuento de cómo esta malhumorada fanfarrona se encuentra con la horma de su zapato y se convierte en un insecto bueno y educado. Recientemente reimpresso, utilizando las ilustraciones originales, La mariquita malhumorada, más atractiva que nunca, continúa siendo uno de los libros preferidos de los niños por su originalidad y su belleza.
