

## The Sandcastle (Vintage classics)

The quiet life of schoolmaster Bill Mor and his wife Nan is disturbed when a young woman, Rain Carter, arrives at the school to paint the portrait of the headmaster. Mor, hoping to enter politics, becomes aware of new desires and a different dream of life. A complex battle develops, involving love, guilt, magic, art and political ambition. Mors teenage children and their mother fight discreetly and ruthlessly against the invader. The Head, himself enchanted, advises Mor to seize the girl and run. The final decision rests with Rain. Can a great love be purchased at too high a price?
