

## The Restraint of Beasts

Tam and Richie are two dour Scots laborers, fond of denim, work-shy, permanently discontented, intent on getting to the pub every night come hell or high water -- in short, just your average workmen. But Tam and Richie, with their new supervisor, begin to display hidden depths. Dispatched to a farmsite in England by their boss Donald, they deal conclusively with first one and then another client, all the while sticking unbendingly to their rituals until come-uppance arrives to herd them away. But just who exactly are the Hall Brothers, and what do they keep on their farm?
