

The Reverence of One: Book Three of the Shadow Series

Revere: To regard with awe, deference, and devotion. Reverence: An act of showing profound awe, respect and often love. Having forgone her life as a Reaper, Lauren returns to her home with Test after saving him from certain death. Fighting her own inner demons, she knows that the battle has just begun and attempts to help the young Shadow prepare for their inevitable encounter with Isaac, the oldest and most powerful of the Reapers. As they struggle to understand and accept one another, Isaac plots to lure them to their deaths; placing those from Tests past in danger once again. Within each of them, a choice must be made to continue to hide, or risk their lives for that of another. *****ATTENTION!***** Axiom Theory: Book Four of the Shadow Series is now available!
