

Angel in the Shadows Book One

Lisa Grace creates a supernatural world, where the heroine is 100 percent human - a brilliant alternative to the vampire novels. If this is her first novel - I cant wait to see what else she has in store for readers. A page-turner from start to finish. -Alexis Del Cid, CBS NEWS, KOIN-TV, Portland, Oregon Lisa Grace is a talented and exciting author. Suspense drips off each page. I look forward to her next work. --Gretchen Helgeson, Book Reviewer, Phoenix, Arizona Fifteen-year-old Megan Laughlin has a gift; or what seems like a curse at times. Megan sees angels and demons. Megan knows her destiny is to protect her friends against dark angels who try to sway them into situations that can destroy their souls, their lives, and their eternity. At school, she recognizes Judas, anuber popular boy, as a demon hell-bent on destroying her and everyone she loves. As Judas spreads horrible rumors and overdoses two of her classmates at a rave, Megan realizes the enormity of his power. While classmates die, Megan, with the help of an angel, Johnny, and a team of friends will face the fight of their lives as they battle Judas.
